One Step Further (© Colin Pritchard, 2020)

One step further and I'm going to have to fly
Step on back or give it a try
If I leap for a moment I'll fall
I hope into the arms of the Holy
Straight into the arms of the Holy One of all

Go to the land that I will show you
Lord where might that be
Just take the right step and follow
Come and follow me
Come and follow me

I will lift you up on the wings of eagles
And whisper in your ear
You need not be afraid my child
I am I am Here I am

It is not in the earthquake but in the voice
Still and small at the moment of choice
What are you doing and who will you be
Lift your face to me
Let your faith set you free

I will lift you up on the wings of eagles
And whisper in your ear
You need not be afraid my child
I am I am Here I am

One step further and I'm going to have to fly
